## Small Group Exercise

Commissioned Christians have the power to witness available to them. But how would our witnessing power be impacted if we claimed the power Jesus has promised to us?

God is calling all of us to be witnesses to the people in our neighborhoods and workplaces. As you divide into church teams to take turns answering the following questions, focus on the specific people you know who need Jesus. Then consider how the Holy Spirit's preparation, intercession, and empowerment can make you a witnessing disciple to those specific people.

- Read Ephesians 2:10: *"For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do."* How has God prepared us in advance to do the good work of a witnessing disciple?
  
- Read Romans 8:26: *"In the same way, the Spirit helps us in our weakness. We do not know what we ought to pray for, but the Spirit himself intercedes for us with groans that words cannot express."* How does the Holy Spirit help us to overcome any of our weaknesses in witnessing?
  
- Read Acts 4:29-30: *"Now, Lord consider their threats and enable your servants to speak your word with great boldness. After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the Word of God boldly."* How does the Holy Spirit embolden us a witnessing disciples?

## **Action Planning/Reporting**

Everything that Jesus accomplished while He was on earth was made possible by the Holy Spirit. The key is Jesus' amazing life is summed up in Scripture: "Jesus returned to Galilee *in the power of the Spirit*, and news about him spread through the whole countryside" (Luke 4:14).

Similarly, the witnessing power of our church is only as powerful as the Spirit who directs each individual member. Therefore, we need to ask the following questions:

How can we encourage our church members to draw near to the Holy Spirit's work of preparation in their hearts?

How can we encourage our church members to utilize the Holy Spirit's intercession to help them in their witnessing weaknesses?

How can we encourage our church members to claim the Holy Spirit's power to embolden them as witnesses?
